

# Terrell County 4-H News

*The Texas AgriLIFE Extension Service sponsored a garden & landscape diagnostic clinic July 22nd. Extension specialists in entomology, rain water harvesting and horticulture participated in the program. Topics included identifying common garden & landscape insects, rainwater harvesting techniques and a gardening tips. Rick & Billie Garro sponsored a hands-on landscape tour at their home. Pictured left to right were Billie Garro, Debbie Benge, extension horticulturalist, and Don Kelso, retired Terrell County extension agent.*

**Making the better Best.**
