DRESS AND GROOMING for Sanderson JH/HS Students

The District's dress code is established to teach grooming and hygiene, instill discipline, prevent disruption, avoid safety hazards, and teach respect for authority. The District understands that not all people have the same definition of "neat and well-groomed"; and various individuals have a wide range of fashionable tastes.

All organizations public or private, corporations, or individual businesses have basic rules that are followed. Students are to be well groomed and dressed appropriately each day. It is the student and parent together who are responsible for compliance with the District's dress code.

The guidelines listed below are a **minimum** and are not intended to list all standards that shall be required of students. The administration shall have the authority to determine other violations relative to grooming in addition to the following:

1. No apparel shall be worn by any student that advertises or depicts tobacco products or alcoholic beverages; drugs; lewd, offensive, vulgar or obscene writings or pictures; words or innuendoes or signs that relate to alcohol, drugs, sexual conduct, satanic or gang related activity; or death, murder, and dismemberment. All depiction of skulls, skeletons, bones are forbidden.

2. Clothing is to fit neatly. Students may wear dress shorts, hemmed blue jean shorts, or cargo shorts. Male students will not wear tights or leggings. Leggings on female students do not replace pants or skirts. The skirt over leggings must conform to the prescribed six

inches. Unhemmed cut-offs, tight spandex bicycle-style shorts or athletic-type or workout-style shorts (i.e. PE apparel) will not be permitted. Shorts and skirts will be no more than six inches above the knee while kneeling. Any style clothing that is gang-related, Gothic, or appears to be gang (i.e., gangsta, saggin') related, as interpreted by the administration, (see item #3 below) will not be permitted. Belts will be worn if the garment has need of a belt. Dress for all extra-curricular trips, activities, or special occasions will be determined by the sponsors and subject to principal approval.

3. No disruptive apparel or ornamentation will be worn, i.e. Boys' piercings (ear, nose, tongue, brow, or other visible body parts) girls' piercings (nose, tongue, brow, or other visible body parts). No contact lenses (prescription or non) will be allowed that blacken the eyes or give a "cat" appearance or that can be interpreted as satanic, cult or gang related will be allowed. No mouth ornamentation, i.e. grill, decorative mouth pieces are permitted. **Other visible markings or tattoos are strictly forbidden and must be covered.** This includes ink drawings and writings on the skin.

4. All male students shall have their hair length and side-burns so that it does not touch the collar or extend below the lobes of the ear. Students may have natural-colored, traditionally styled hair, with no unusually shaved areas. No facial hair will be permitted nor will hair cover the eyes. Extreme colors such as green, blue, red, etc. will not be permitted except on special occasions as designated by the administration. Highlights and frostings

are to be throughout the hair and give no appearance of a "two-toned" effect.

5. Shirrtails shall be tucked in on male students unless the shirts are designed to be worn outside. Examples of shirts that may be worn outside are those that are square cut on the bottom. No halter, camisole-type, undershirt, tank, midriff, spaghetti straps, or see-through tops will be allowed on students. Shirts and blouses are to be long enough to cover the waist. Outside shirt styles are not to extend past the fingertips in length. Tops, shirts, blouses, etc., cannot show skin (belly) or under garments with arms fully extended above the head. There is to be no visible cleavage. No less than sleeveless shirts, blouses, or tops will be permitted for female students. Collars on shirts are to be worn folded as intended and not turned up.

6. Students will wear hats/caps correctly and are to remove hats/caps upon entering all buildings except gymnasiums. After two infractions, the offending student forfeits his/her privilege to

wear a cap. Exceptions for wearing caps or hats will be on spirit days sponsored by the cheerleaders or student councils.

7. Shower shoes, flip-flops, beach shoes (rubber, water-type) and/or house shoes are NOT allowed. Open-toed shoes or sandals are permitted but must have a heel strap. Shoes must be appropriate for the particular activity, (i.e. science lab, shop, athletics)

8. All attire must have a neat hem and have no holes, rips, tears, or cuts. All Patches or repaired holes will match. General wear and tear on denim is understood, but ragged over-worn hems will not be allowed.

9. At any time during the school year, the administration may modify, ban or abolish any grooming practice, article of clothing, or accessory including emblems/logos that is considered to be affiliated with gang/Gothic/occult activity, associated with inappropriate groups, or is deemed inappropriate for school.

10. For dress code violations, disciplinary action will be taken.
